Guest Speaker Idea to Select Project Topics

May 14, 2025

A guest speaker session that helped final-year BCA and Bsc. CSIT students explore and choose innovative project topics with real-world relevance.

An orange ribbon banner with a white outline, curved upwards at both ends, containing the text "Until Next Month..." in a bold, dark blue, sans-serif font.

Until Next Month...

From debates and technical workshops to creative competitions and inspiring sessions, this period was packed with engaging events at Kathford. Activities like Civil Wonder, Debugging, and BIZBUZZ pre-event highlighted student innovation and teamwork.

Seminars and role plays deepened academic understanding, while cultural events like Miss Nepal Activation and Guru Purnima added vibrancy.

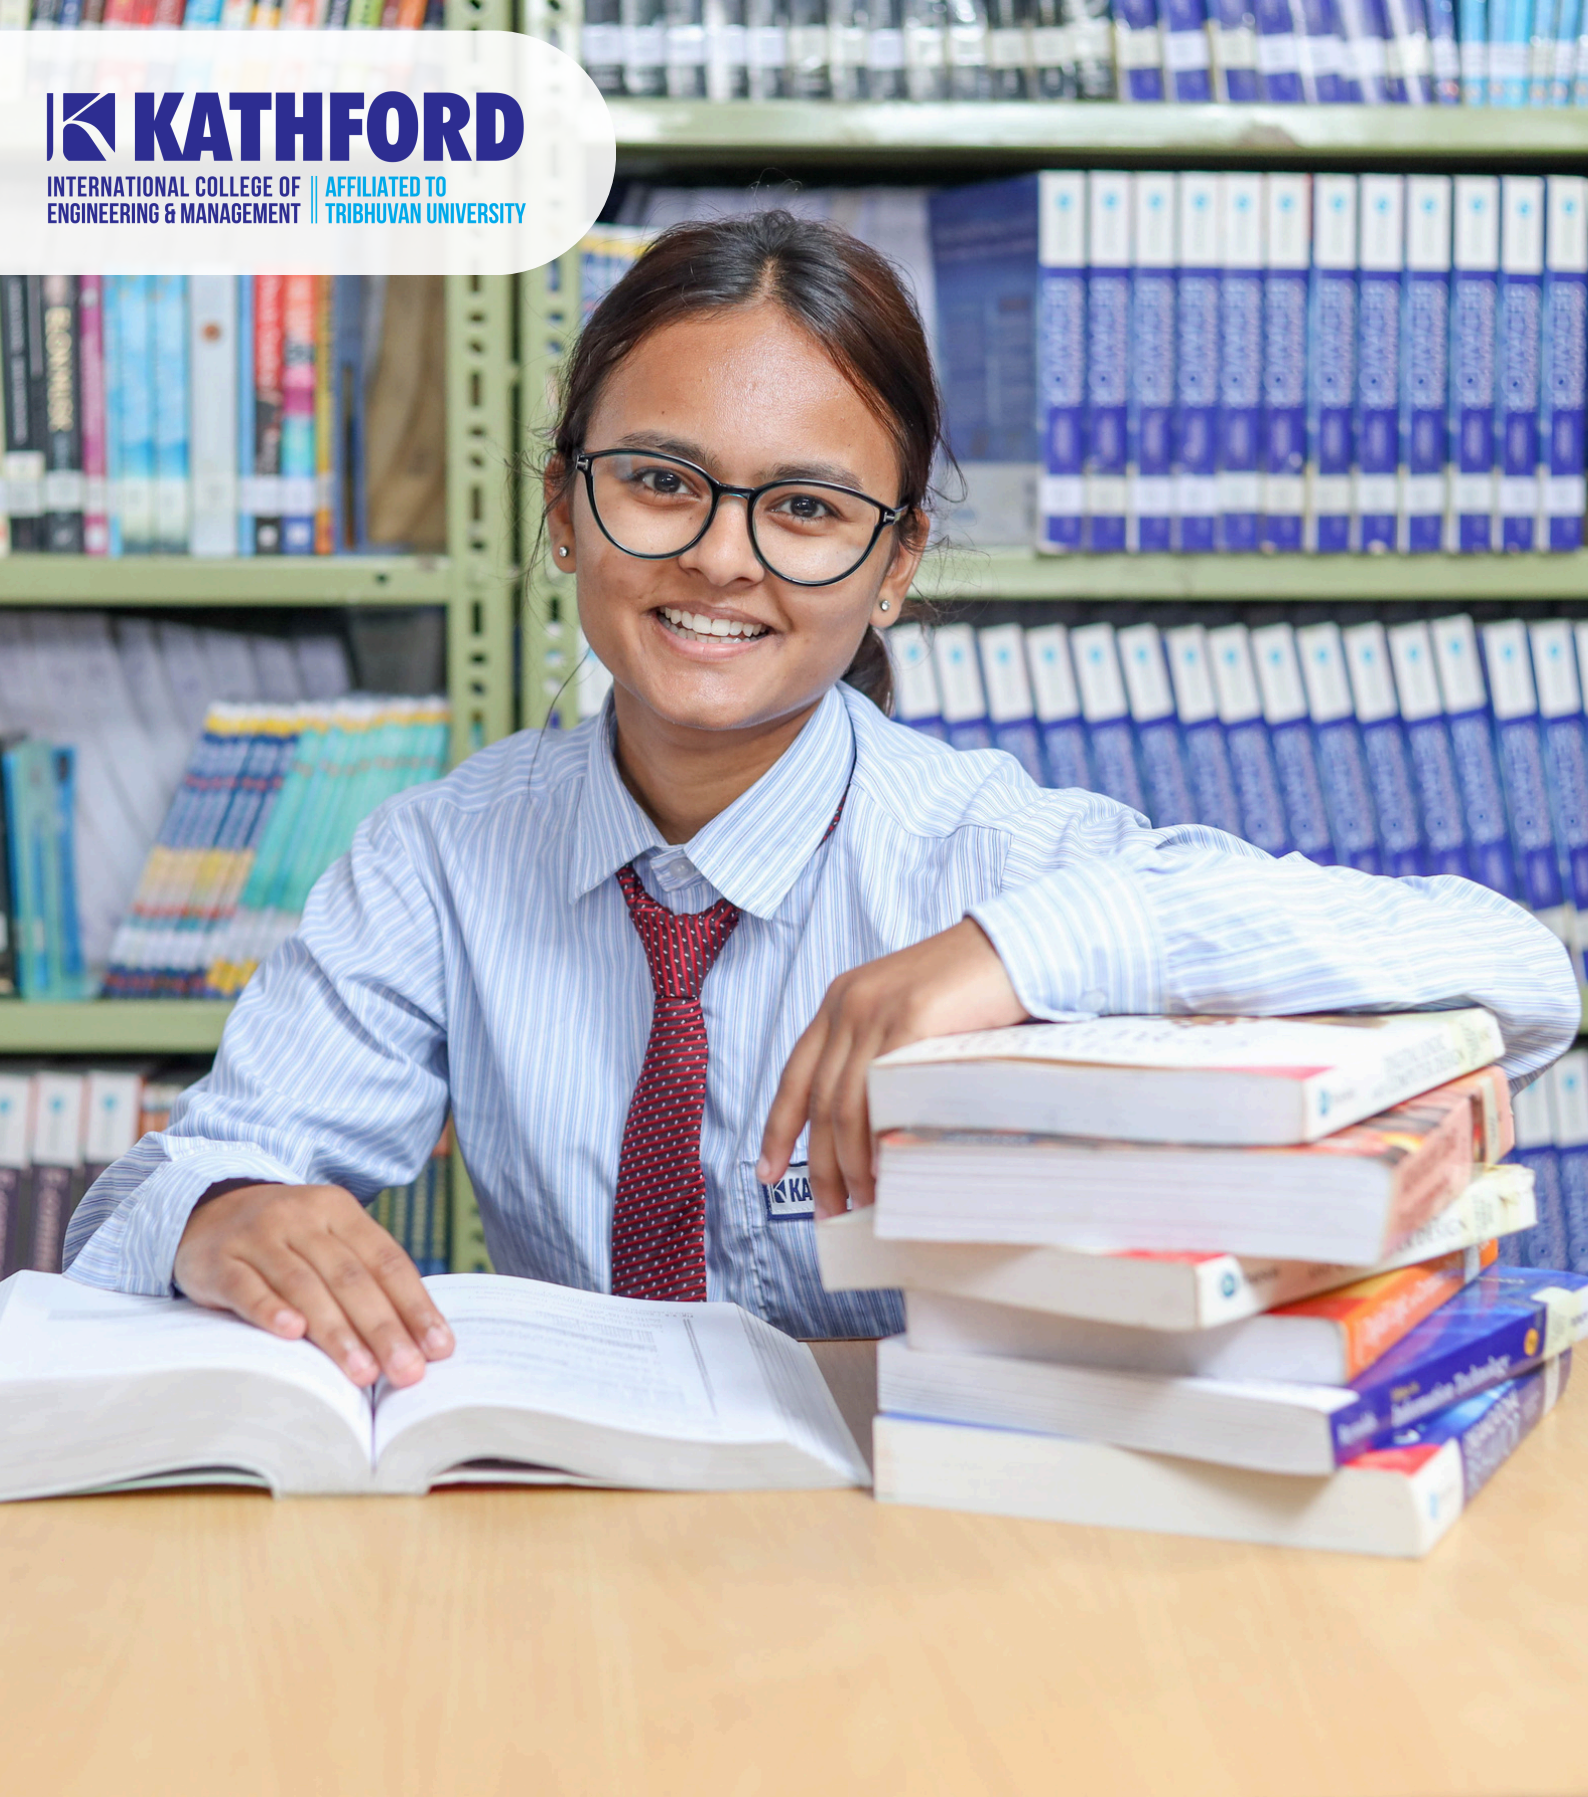

Together, these moments reflect Kathford's commitment to holistic development through knowledge, creativity, and leadership.
